------------	----------

Dauer	12 Termine
-------	------------

Kursleitung	Erika Weichselbaumer
-------------	----------------------

Kursort	vhs-Haus; EG; Raum 3
---------	----------------------

There are many ways to improve your English - but the best way is to just talk! Come join a stimulating conversation group of average English speakers. We discuss different topics each week and read from an interesting book, which we decide on together. Of course we also have fun, while we absorb new vocabulary, gain confidence with our speaking skills and achieve good pronunciation. Best of all: no exams. Give us a try!

Termine

Datum	Uhrzeit	Ort
